

## The Indy Lab School Transition Plan

The following plan delineates our transition from our current location at The Play Place (11 Clearbrook Road Elmsford, NY 10523) to our new school's location at 1053 Saw Mill River Road Ardsley, NY 10502.

The new school will be under construction until mid-summer of 2025. We anticipate undergoing the licensing process via The Office of Children and Family Services to obtain a full-day license between mid-July thru early fall with the entire process taking between 2-4 months, which takes us to Oct/Nov. This timeline tentatively results in The Indy Lab beginning the school year at The Play Place and moving to 1053 Saw Mill River Road Ardsley, NY by mid-fall.

The following programs will begin with half-day options at our new school's location (1053 Saw Mill River Road):

1. Cooperative Preschool
2. Goldfish (18 mos. – 24 mos.)
3. Green Frogs (24 mos. – 36 mos.)
4. After School Club (Kindergarten – Fourth Grade)\*

\*Only 7 students will be permitted until a full license is approved.

Our current hours of operation will remain while at The Play Place:

- Before Care: 7:30am – 9:00am
- Regular School Hours: 9:00am – 2:45pm
- No After Care

Once we move, we will be able to offer before and after care for all students and our Goldfish and Green Frogs programs will have a longer day by 15-minutes.

### **Notes:**

Please see our Tuition below.

The base tuition will not change by location.

The only change will be the ability to add after care.

For programs that indicate applying is via the website, our new website will be up and running by the week of Feb 10<sup>th</sup>, 2025.

## School Year 2025/2026 Programs
